EXPERIENCE

Teratech, Mbezibeach — *Software Development*

July,2023 - Present

During my time at Tera Technologies, I held the position of Internship Software Developer. As part of a collaborative team, we were responsible for developing innovative software solutions to address various challenges. Throughout a four-month period, I successfully delivered two projects: a website for tracking purposes and a web application for Business Process Management (BPM).

Teratech, — *Practical Training*

July,2022 - September,2022

During my practical training, I had the opportunity to work at Tera Technology Company, a prominent organization in the industry. This experience provided me with valuable learning opportunities and allowed me to become an integral part of the software development team.

EDUCATION

Ardhi University, Dar es Salaam — *Degree*

November,2020 - July-2023

Degree In Bachelor Of Science In Information System Management.

Ileje High School, Mbeya — *Advance Level*

2018- 2020

I pursued an advanced level course with a focus on PCM (Physics, Chemistry, and Mathematics).

PROJECTS

Business Process Management— *Detail*

Current working project for managing all the business processes for the company, in more detail view in my github link at the top .

COVER LETTER

Nicholaus S Somi

Dar es Salaam,
nicholaussomi5@gmail.com,

21rd November 2023.

TIGO,

CEO,

Dar es Salaam ,
Tanzania

Dear CEO,

Ref: Apply for Cyber Security Manager – TiGO Pesa at TIGO – Tanzania.

Please accept this letter as an expression of my interest in the Software Developer position. I am a highly motivated and progress-focused Software Developer with a long-standing background in this industry. With a track record of initiative and dependability, I have devised strategic initiatives which I believe will prove valuable to TIGO .

Throughout my career, I have honed my expertise in innovation and creativity. I possess strong problem-solving abilities and excel at prioritizing and managing projects with efficiency. In my previous role, I actively contributed innovative ideas, fostered teamwork, and made valuable contributions to business improvements. I maintain a progressive mindset, staying abreast of the latest developments in my field. I have consistently demonstrated my effectiveness and collaborative nature, leveraging my strong problem-solving skills. I particularly enjoy engaging in collective brainstorming sessions, as they allow me to coordinate activities and guide the team towards achieving shared objectives.

Please take a moment to review my attached resume and credentials. I would greatly appreciate the opportunity to speak with you regarding my candidacy. Thank you for your consideration.

Sincerely, Nicholaus Somi
